Ms. Jill Palermo, Director  
Lewiston Public Library  
305 S 8th Street, Lewiston, NY 14092

Dear Ms. Palermo,

The U.S. Environmental Protection Agency (U.S. EPA), Region II, is currently performing an Emergency Removal Action at the Holy Trinity Cemetery Site (the Site) under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA). The CERCLA Removal Action is located at 5401 Robert Street in Lewiston, Niagara County, New York.

We appreciate having the Lewiston Public Library as the designated administrative record facility for the Site. The enclosed record files, along with any future documents relating to technical activities at the Site, should be placed in the Lewiston Public Library and be available for public review. The record files should be treated as a non-circulating reference and should not to be removed from your facility.

By providing the public with greater access to these records, we hope that they will be better equipped to comment constructively about site activities and to understand the issues relating to the selection of the response action at the Site.

To ensure the receipt of the administrative record file, I would appreciate your completion of the attached Document Transmittal Acknowledgment form. **Please return this form in the enclosed self-addressed, stamped envelope.**

Again, I would like to thank you for your cooperation with the U.S. EPA in serving as a Field Repository. If you have any questions or comments, please contact me at (732) 321-4350.

Sincerely,

A handwritten signature in cursive script, reading "Eric M. Daly", is located below the "Sincerely," text.
